LARRY LAZAR, St. Louis businessman, father, and husband, is also a passionate speaker on climate change and the leader

and organizer of "Climate Reality St. Louis." He has delivered presentations on climate change throughout the St. Louis area. Trained by the Climate Reality Project in August 2012, Larry now trains other climate speakers throughout the central United States.

DAVID GIPSON came to Richmond Heights in January of 2012 to serve as the City's Assistant City Manager. In 2012, David oversaw the City's implementation of a \$2.77M energy-saving initiative, which is expected to result in annual energy savings of nearly \$60,000.
